Dear Mr. Haskell,

Congratulations to you and to the Maine Section for being selected to receive a History & Heritage Citation this year. The members of the History and Heritage Committee appreciate all your efforts in promoting to the public the history of civil engineering through the distribution of your landmarks brochure. New York's Metropolitan Section will also receive a citation this year, for the section's activities held in conjunction with the 125th anniversary of the Brooklyn Bridge.

Your citation will be presented during the Leadership Breakfast and Council of Presidents meeting to be held at ASCE's Annual Conference in Kansas City, Missouri. The Breakfast is tentatively scheduled for Sunday, November 1, 2009. We hope you or your Section President will be able to attend the Breakfast to accept this honor. The History and Heritage Committee will purchase a breakfast ticket for you.

Please let me know as soon as possible if you will be able to attend this event.

Again, congratulations on being selected for this award.

Sincerely,

Carol Reese
